

Unloading Dishwasher

Check to see if the dishwasher has finished

Starting at the bottom dishwasher tray,
pull out that tray

dry dish

Get a paper towel or dish towel, dry any wet
dishes, bowls or pans from bottom rack

Make a pile/stack of the similar dishes
on the counter

Put all dishes away into their places in cabinets

Remove silverware basket from dishwasher
and place on counter near silverware drawer

Put silverware basket back in dishwasher,
close bottom rack, Open top rack of dishwasher

dry dish

Get a paper towel or dish towel, dry any wet
cups, dishes, bowls or pans from top rack

Remove all cups, dishes and bowls from top
rack and put away in proper spots in cabinets

Repeat on remaining dishes until all put away -
close top rack and close dishwasher door
