

Washing Laundry

Select type of laundry to be cleaned - whites clothes, dark clothes or light colored clothes

Fill washing machine with water:
White clothes = hot water
Dark clothes = cold water
Light colors = warm water
Push the start button

Measure the laundry detergent

Pour laundry detergent in washing machine

Put dirty clothes in washing machine and close the lid to run the wash

When wash is done - remove clothes from washer and put in dryer

When clothes are dry - remove from dryer and place in clean laundry basket

Report for more laundry or tell an adult you're done
